

MONVITIS

2019 Oakville, Cabernet Sauvignon

VINTAGE NOTES: The 2019 growing season began with heavy rains and late moisture that increased cover crops and enriched the soil with nutrients. The long, mild summer saw very few extreme heat events, and few extended foggy mornings which set the stage for excellent quality wines. The extended mild finish to the season provided for extended hang time that further increased flavors and preserved freshness in the fruit helping produce a memorable vintage
